FOR IMMEDIATE RELEASE

**MARK KING NAMED CHAIRMAN OF THE BOARD FOR
MICROPAC INDUSTRIES, INC.**

GARLAND, (Mar. 28, 2008) – Micropac Industries, Inc., (MPAD), a leading company in high reliability electronics, announced that Mark W. King has been named as Chairman of the Board, in addition to his existing duties as CEO and President of the company.

Mr. King has 30 years senior management experience serving the advanced electronics industry, including 22 years with Texas Instruments, Inc. and later Raytheon through acquisition. Mark holds a B.S. degree in Engineering and a Master's degree in Business Administration.

Mr. King said “I am honored to serve as the new Chairman of Micropac. Micropac has, through the years, proven to be a great company, and our team is on a path to make Micropac a greater company. I would like to thank our customers, suppliers, shareholders, board members and our exceptional employees who are leading us to an outstanding future.”
