MICROPAC RECOGNIZED AS A FAST 50 TECHNOLOGY COMPANY

Garland (August 27, 2008) – Micropac Industries, Inc. has been recognized by the Metroplex Technology Business Council (MTBC), the largest technology trade organization in Texas, as part of the 2008 Fast 50 – a list of the 10 fastest-growing technology companies in the Dallas/Fort Worth area based on percentage revenue growth *over the last year* and the 40 fastest-growing technology companies in the Dallas/Fort Worth area based on percentage revenue growth *over the last five years*.

The Tech Titans and Fast 50 Awards gala event will be held at the Marriott Legacy Town Center in Plano, Texas on Friday, September 26, 2008.

From Mr. Mark King, Micropac’s President and CEO, “Micropac is pleased and honored to be recognized for the Fast 50. We have taken on the challenge as a company to grow Micropac from a very good company to the best in our industry. Our internal directive, “Micropac 2020,” is a disciplined, process-oriented initiative for continuous improvement that is guiding our business culture and producing results.”

“The Tech Titans and Fast 50 Awards provide the premier recognition of fast-growing, highly innovative companies that contribute to the vibrancy of the North Texas economy and make our region an exciting place to live and work,” said Cindi Keith, partner/technology marketing industry leader, PricewaterhouseCoopers, and co-chair of the MTBC’s Tech Titans steering committee. “We look forward to showcasing the true leaders in our industry and celebrating their hard work and creativity.”

The North Texas region is one of the leading centers for technology business and innovation both in the U.S. and globally. The AeA (American Electronics Association)

About the Tech Titans Awards

The Tech Titans Awards were launched in 2001 by the Metroplex Technology Business Council, North Texas' most comprehensive organization supporting technology. The prestigious annual contest recognizes outstanding information technology companies and individuals in the North Texas area who have made contributions during the past year locally, as well as to the technology industry overall. The Tech Titans committee is a group of dedicated volunteers who organize the awards ceremony each year, and judges for the contest are drawn from a variety of disciplines in technology, leaders in the DFW area and past winners.
