FOR IMMEDIATE RELEASE

Micropac CEO on 2020 Women on Boards Panel

Dallas (November 15, 2018) –

Mark W. King, President and CEO of Micropac Industries, Inc., participated on the panel for the Dallas 2020 Women on Boards National Conversation on Gender Diversity. Other panelists include:

- Arcilia Acosta, President and CEO, CARCON Industries and STL Engineers
- Margot Carter, President and Founder, Living Mountain Capital L.L.C.
- Marty Ellen, Retired EVP & CFO, Dr. Pepper Snapple Group

The National Conversation on Board Diversity is an annual event that takes place in November on a single day throughout cities in the U.S. and the world, when thousands of C-Suite and senior level executives discuss and explore the benefits that women bring to company boardrooms. The campaign is sweeping the country, with thousands of supporters and 2020 Campaign Committees in cities across the U.S. Mr. Mark King, Chairman and CEO stated:

“Gender diversity is extremely important and valuable in the governance of every business. We at Micropac are proud to be a strong advocate for this very important initiative.”

###

About 2020 Women on Boards

Founded in Boston in 2010, and now headquartered in Los Angeles, 2020 Women on Boards is the national campaign to increase the percentage of women on U.S. company boards to 20% or greater by the year 2020. Information on this year’s National Conversation on Board Diversity can be found on www.2020wob.com.
